I was so inspired today by our Governing Board President, Ken Brague. He welcomed our new leaders and spoke of their importance to the heart of our district, our students. #BeQueenCreek #excellencethroughleadership

Queen Creek High School is an "A" rated school!

The State Board of Education has released the official school letter grades for the 2016-2017 school year, and after the finalization of the formula, we are happy to announce that Queen Creek High School has increased to an "A" rated school.

The "A" label was set to recognize distinguished academic performance; proficiency and growth; that is significantly higher than the state average. GO BULLDOGS! #excellencethroughleadership

Jennifer Helmick Pflum That is amazing!!! Great job to all of the students and staff. While I don't put a lot of emphasis on standardized tests, I know this is huge for our district, and I love QCUSD!
